Endurance series

Team requirements / regulations

Teams for the RTA Endurance series can be chosen by drivers and will not be assigned by the admin team, however the team must consist of 2 drivers, One “Pro” Driver, who holds an RTA license of A or B rating And one “AM” Driver who holds an RTA license of C or D rating. Please check the shared document to see where your license ranks. If you cannot fit into a team or do not have one, please reach out to the RTA admin team and we can pair you. Please note, the A,B,C,D rating is not your iracing license. Its a separate RTA one based on results.

RTA PRO LICENSE	A / B LICENSE RATING
RTA AM LICENSE	C / D LICENSE RATING

Race Regulations:

- The PRO or AM Driver may complete qualifying
- The AM class driver must complete stint 1 and the Pro Driver stint 2
- Races will be 90 minutes long, with 50 minutes of fuel fixed setup applied This allows variation in the pit stops and strategies/ timing while keeping a fair usage strategy ensuring the pro and am drivers complete enough of the race.
- 30 x will be a DQ for the team
- 20 x will be a drive through for the team.
